

## Volunteer Awards- Details and Rules 2025

Finalists and winners will be chosen from an impartial panel of judges.

Nominees must volunteer for an Irish in Britain member organisation. Nominees do not need to have any personal ties to the Irish community in Britain.

Short-listed nominees and winners will be chosen based on the merit of their voluntary contribution in the past 12 months (inclusive up to the time of nomination). Although those nominated may have made an outstanding contribution over many years, only their work in the past 12 months will be considered in the context of the award.

Nominees must not be paid for any of the work they do for their respective organisation.

Groups are considered to be several individuals who regularly volunteer in a specific capacity. This could be two coaches who run an after-school football program, or six people who run the kitchen at a lunch club, etc.

Young volunteers are considered to be individuals who are under 25 years of age.
